

Lilly Brand Artwork Installation Instructions

The following are instructions for downloading the Other Lilly Brand artwork (Bmp, Gif, Tif files). This is a **one time** process, and after completing these steps, you will be able to use those files in your computer.

Click on the Artwork.EXE file

1. Click Unzip button

2. Click OK

(Note: You will return to the previous screen)

3. Click Close

4. The standard Lilly Artwork is now installed to your Clipart folder: <C:\Program Files\Microsoft Office\Clipart\Lily Brasil> You will find different type of files: BMP, Gif, Tif. To access those files you need to locate what you are looking for and double click on them.
