

Lilly Brand Artwork Installation Instructions

The following are instructions for downloading the Lilly Brand artwork to the Clip Art Gallery to be used in both Word and Powerpoint.

Click on the Artwork.EXE file

Select “Run this program from its current location”

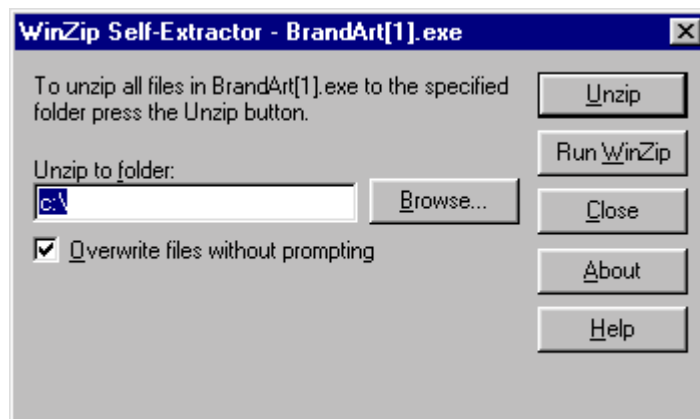

Click OK

Click Yes (This will install the standard artwork to your Clip Art Gallery on the hard drive)

1. Click Unzip button

2. Click OK

(Note: You will return to the previous screen)

3. Click Close

The standard Lilly Artwork is now installed to your Clipart folder, but you must complete the following steps to have this Artwork viewable in your Clipart Gallery. This is a **one time** process, and after completing these steps, you will be able to import the Lilly Brand Artwork in any Office application.

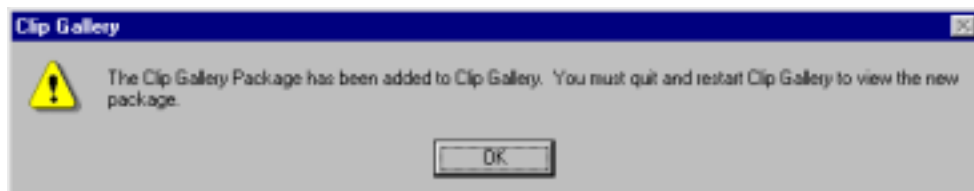

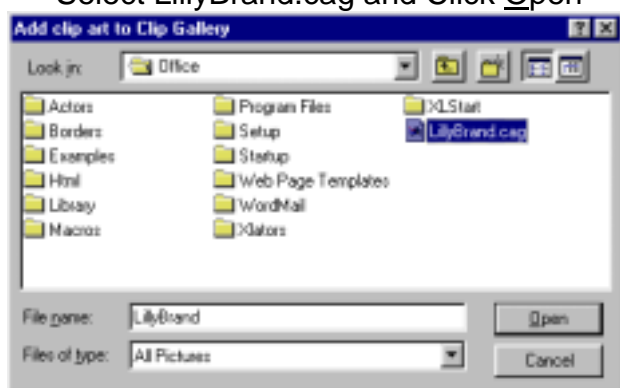

- 1. Start PowerPoint
- Choose Blank Presentation
- Choose Blank Slide

2. Go to Insert/Picture/Clipart
Click on Import Clips

3. Look in: Path should be (C:\Program Files\Microsoft Office\Office)
Select LillyBrand.cag and Click Open

4. Click OK
5. Click Close (you need to close out of ClipArt Gallery and this will allow the clipart to be viewable)
6. Go to Insert/Picture/Clip Art
Click on the Picture tab
Select Lilly Brand in the Category List
