

Lilly Brand Installation Instruction for Templates

The following are instructions for downloading the Lilly Brand templates to be used in both Word and Powerpoint.

Click on the Brand

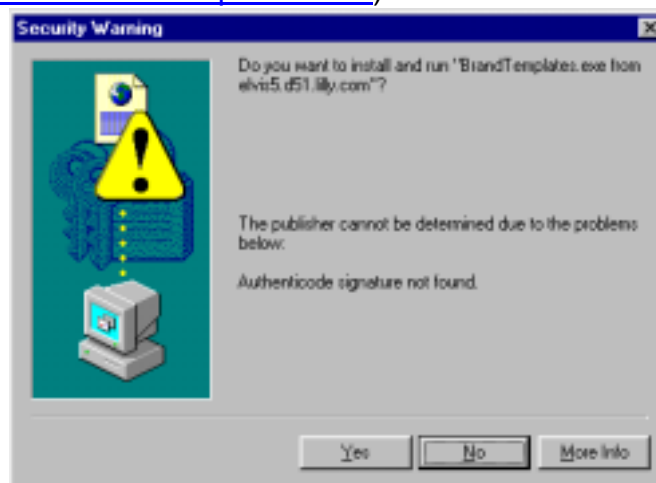

Templates.EXE file

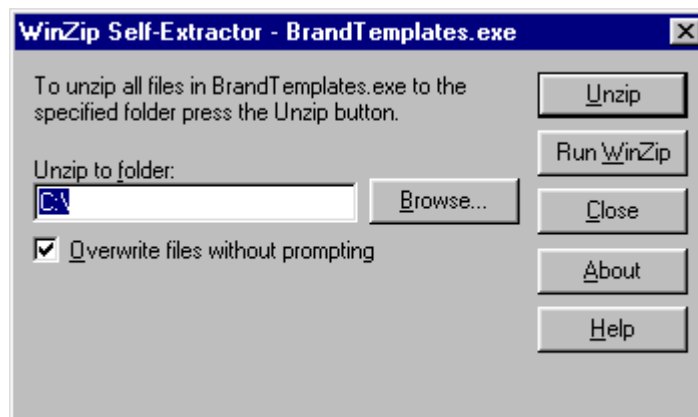

(<http://elvis5.d51.lilly.com/brandoffice/templates.html>)

Select "Run this program from its current location"

Click OK

Click Yes (This will install the templates to your hard drive)

1. Click Unzip button

2. Click OK

Note: You will return to

the previous screen

3. Click Close

All templates are now installed. To start using, open either Word or Powerpoint and go to File/New and Click on the Lilly Brand tab

Word Templates

PowerPoint Templates
